1. Cleaning Africa Services (CAS)

CAS provides contract cleaning and specialised cleaning services, focusing on the motor, commercial and industrial industries

Other services include the provision of hygiene services, pest control, once-off cleans, waste management and training & learnerships.

CAS is privately owned and started its first cleaning contract in April 1998.

The company's success lies in its ability to train and manage hundreds of staff to achieve the stringent standards demanded by its prestigious customer base in the Gauteng region.
